Dear Robert:

This is in regards to your agency's United Way of Greater Kansas City certification status. Based on a review of materials submitted earlier this year, TLC for Children and Families is currently **certified**. The agency is eligible and remains eligible to receive funding from United Way of Greater Kansas City. As you know the certification process is an annual review and will be done again in early 2012.

If you have any questions please feel free to contact me.

Sincerely,
